A detailed map of the Scheveningen area in The Hague, showing traffic diversions for Johan de Wittlaan from April 14 to early August. The map features various colored lines indicating different types of traffic: a red dashed line for bicycle paths, a blue dashed line for one-way car traffic on Eisenhowerlaan towards Scheveningsweg, and a purple dashed line for destination traffic towards Zorgvliet, Geuzenkwartier, and the Statenkwartier. A yellow hatched area indicates the closure of Johan de Wittlaan. Key locations marked include the World Forum, temporary buildings, two hotels, and museums. Major roads shown are Westdunweg, Prins Mauritslaan, Statenlaan, Eisenhowerlaan, Scheveningsweg, Houtrustweg, President Kennedylaan, and the S200, S103, and S100 routes. The map also shows the Scheveningse Bosjes, Park Sorghvliet, and the Winkelgebied.
